

Pupils E-safety agreement

Keeping me safe at home and at school.

I will check with a grown up, before using the Internet.

I will tell a grown up if I see something that makes me feel worried.

If I get stuck or lost on the Internet, I will ask for help.

I will only write polite and friendly messages and only to people I know.

I will keep my personal information, including my name, address, my school, and my pictures, "Top Secret" and not share this information on an app or website.

I will not bring mobile phones or tablets to school.

We understand that your child is too young to give informed consent on his/her own, however, it is good practice to involve them as much as possible in the shared commitment to using the Internet responsibly. We ask that you share the agreement with your child, before signing and returning this form.

Parent's Consent

I have read and understood the E-safety agreement, give permission for my son/daughter to access the Internet at school, and will encourage them to abide by these rules. I will follow the school's guidance on taking and sharing images and video at school events.

I understand that the school will take reasonable precautions to ensure pupils cannot access inappropriate materials.

Children will receive advice on E-safety at school; advice for parents is available at www.thinkuknow.org.uk/parents or by contacting the school. The school will help children learn about staying safe online, but the primary responsibility for online safety at home lies with parents / carers. The school will seek to work with families to help them to encourage children to adopt safe use of the digital technologies at home.
